A Member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as a proxy and such person shall not act as proxy for any other person or shareholder.
4. Corporate Members intending to send their authorized representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company, a certified copy of the relevant Board Resolution along with their respective specimen signatures authorizing their representative(s) to attend and vote on their behalf at the Meeting.
5. Members holding shares in physical form are requested to advise any change of communication address immediately to the Registrar and Share Transfer Agent, M/s. Cameo Corporate Services Limited, Subramanian Building , # 1, Club House Road, Chennai – 600 002.
6. The Register of Members and Share Transfer Books of the Company shall remain closed from Saturday, 24th September, 2022 to Friday, 30th September, 2022 (both days inclusive) for the purpose of Annual General Meeting.
7. The register of contracts or arrangements in which Directors are interested, maintained under Section 189 of the Companies Act, 2013, the Register of Directors and Key Managerial Personal and their shareholding maintained under Section 170 of the Companies Act, 2013 read with Rules made there under would be available for inspection by the Members at the Registered Office of the Company on working days, except Saturdays, Sundays and public holidays, between 10:00 A.M. to 04:00 P.M up to the date of the Annual General Meeting.
8. Members as on the cut-off date of 23rd September, 2022 shall only be entitled for availing the remote E-voting facility and voting facility during the AGM. A person who is not a Member on the cut-off date should accordingly treat this Notice for information purposes.
9. A person can be an authorized representative of more than one Body Corporate. In such a case, he is treated as more than one Member present in person for the purpose of the quorum.

10. In Compliance with MCA Circulars dated 8th April 2020, 13th April 2020 and 05th May 2020 and SEBI Circular dated 12th May, 2020, Members may kindly note that sending of Physical Copies of Annual Report to Members have been dispensed with and is being sent through electronic mode to those members whose e-mail addresses are registered with the Company or Depositories. Members may also note that the Notice of the 40th AGM and the Annual Report will be available on the Company's website www.ambassadorintra.com and can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com and disseminated on the website of CDSL at www.evotingindia.com.
11. Pursuant to the MCA Circulars and SEBI Circular, in view of the prevailing situation, owing to the difficulties involved in dispatching of physical copies of the Notice of the 40th AGM and the Annual Report for the year ended March 31, 2022 including therein the Audited Financial Statements for the Financial Year 2021-22, are being sent only by email to the Members. Therefore, those Members, whose email address is not registered with the Company or with their respective Depository Participant/s, and who wish to receive the Notice of the 40th AGM and the Annual Report for the Financial Year 2021-22 and all other communication sent by the Company, from time to time, can get their email address registered by following the steps as given below:-
 - a. For Members holding shares in physical form, please send scan copy of a signed request letter mentioning your Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to Company email id ambassadorintra1982@gmail.com
 - b. For the Members holding shares in demat form, please update your email address through your respective Depository Participant/s.
12. In case of joint holder attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
13. The route map showing direction to reach the venue of the 40th Annual General Meeting is given as a part of this Annual Report as per the requirements of the Secretarial Standard-2 on "General Meetings".
14. Members holding shares in dematerialised mode are requested to intimate all changes pertaining to their bank details, NECS, mandates, nominations, power of attorney, change of address/name, PAN details, etc to their Depository Participant only and not to the Company's Registrars and Transfer Agents. Changes intimated to the Depository Participant will then be automatically reflected in the records of the Registrars and Transfer Agents which will help the Company and its Registrars and Transfer Agents to provide efficient and better service to the Members.
15. In accordance with the amendments to Regulation 40 of the Listing Regulations, Securities and Exchange Board of India (SEBI), decided that requests for effecting transfer of listed securities shall not be processed unless the securities are held in dematerialized form with a Depository (National Securities Depository Limited or Central Depository Services (India) Limited). Members holding shares in Physical Form are requested to consider converting their holding to

dematerialized Form in order to eliminate all risks associated with physical shares. Members can contact the Registrar and Share Transfer Agent (RTA) in this regard. Members holding shares in electronic form are requested to intimate immediately any change in their address or bank mandates to their Depository Participants with whom they are maintaining their Demat accounts.

16. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in Physical Form can submit their PAN details to the Company.
17. Additional Information required to be furnished under Regulation 36 (3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Secretarial Standards-2 with respect of the Director(s)/Manager seeking appointment/re-appointment at the AGM has been furnished and forms a part of the notice. The director(s)/manager has furnished the requisite consents/declarations for their appointment/re-appointment.
18. M/s. Gaurav Bachani & Associates, Company Secretary, Ahmedabad has been appointed as the Scrutinizer to scrutinize the remote e-Voting process and casting vote during the meeting in a fair and transparent manner.
19. The Scrutinizer shall after the conclusion of e-Voting at the 40th AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-Voting and shall make a consolidated scrutinizer's report of the total votes cast in favor or against, invalid votes, if any, and whether the resolution has been carried or not, and such Report shall then be sent to the Chairman or a person authorized by him, within 48 (forty eight) hours from the conclusion of the 40th AGM, who shall then countersign and declare the result of the voting forthwith.
20. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company at www.ambassadorintra.com and on the website of CDSL at www.evotingindia.com immediately after the declaration of Results by the Chairman or a person authorized by him. The results shall also be immediately forwarded to the BSE Limited, Mumbai.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

- (i) The voting period begins on September 27, 2022 at 09:00 A.M. and ends on September 29, 2022 at 05:00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd September, 2022 <Record Date> may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular **no. SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS 2021-22

1. Global Economy

During the year gone by, the resurgence of COVID-19 infections continued across the countries and kept on posing challenges to worldwide economies. Countries however followed a path of easing of COVID-19 related restrictions and various economies witnessed a rebound in growth. Factors including vaccination drives, stimulus effects and pent-up demand across geographies became the driving factors during the year.

The global economy enters 2022 in a weaker position than previously expected. As the new Omicron COVID-19 variant spreads, countries have reimposed mobility restrictions. On the other hand, the continuation of Russia-Ukraine conflict is posing a significant challenge to the global economy. Rising energy prices, especially crude oil and coal, coupled with supply disruptions have resulted in higher and more broad-based inflation than anticipated, notably in the United States and many emerging market and developing economies. The ongoing retrenchment of China's real estate sector and slower-than-expected recovery of private consumption also have limited growth prospects.

Global growth is expected to moderate from 5.9 per cent in 2021 to 4.4 percent in 2022- half a percentage point lower for 2022 than in the October World Economic Outlook (WEO). According to the IMF, elevated inflation is expected to persist for longer than envisioned, with ongoing supply chain disruptions and high energy prices continuing in 2022.

2. Indian Economic Outlook:

India ranks sixth in the world in terms of nominal gross domestic product ("GDP") and is the third largest economy in the world in terms of purchasing power parity ("PPP"). India is estimated to be among the top three global economies in terms of nominal GDP by Fiscal 2050. Since FY 2005, Indian economy's growth rate has been twice as that of world economy and it is expected to sustain the growth momentum in the long term. In the wake of COVID-19, India's normal GDP has contracted by approximately 3% in FY2021 and is expected to bounce back and reach US\$ 4 Tn by FY 2025. It is also expected that the growth trajectory of Indian economy will enable India to be among the top 3 global economies by FY 2050.

Several structural factors are likely to contribute to economic growth in the long run. These include favorable demographics, reducing dependency ratio, rapidly rising education levels, steady urbanization, growing young & working population, IT revolution, increasing penetration of mobile & internet infrastructure, increasing aspirations and affordability etc.

India's share of domestic consumption, measured as private final consumption expenditure, in its GDP was 60.5% in FY 2020. This private consumption expenditure comprises both goods (food, lifestyle, home, pharmacy etc.) and services (food services, education, healthcare etc.).

With the economic environment becoming uncertain, not only are consumers more thoughtful about

their consumption but also more conscious of their savings and investments. India's medium to long term growth and its positive impact on private consumption will be determined by inter-play of demographics, urbanization and policy reforms. Young population, women workforce, growing middle class and nuclearization will be some of the growth drivers in this growth.

3. Business Scenario:

Financial Year 2021-22 was a year of average performance for Ambassador Intra Holdings Limited as Company has not been able to achieve a remarkable growth in its revenue, we continued to maintain our position. Trading and textile sector is one of the oldest industries in Indian economy dating back several centuries. Textile sector is very important for the Indian economy. The COVID-19 pandemic had challenged the textile industry drastically which is now on a recovery stage. Increasing demand for apparel from the fashion industry coupled with the growth of e-commerce platforms is expected to drive the market growth over the forecast period.

India is the world's second-largest producer of textiles and garments. It is also the fifth-largest exporter of textiles spanning, home and technical products. The textiles industry contribute 2.3% to the country's GDP, 13% to industrial production and 12% to exports. The sector employs around 40 Million workers. The size of India's textile market stood at US\$ 223 Billion in 2021, growing at a CAGR of 10.23% over 2016. Indian textile players have undertaken various initiatives to boost textile sales viz. investment to expand production capacity, using technology to optimise the value chain, leveraging strategic partnerships and strengthen sustainable textiles business. Textile industry has been steadily recovering post pandemic amid increased raw material prices and container shortages. Further the company also dealing in the animal feed supplement business. The company also plans for the expansion in the business of animal feed supplements.

4. Opportunities and Threats:

Opportunities:-

Government has undertaken steps to improve Textile Industry, and Government is expected to announce its new textile policy with an ambitious target of achieving 20 per cent share of the global textile trade and helping the domestic industry attain a size of \$650 billion by 2024-25 by focusing on investments, skill development and labour law reforms, Under Union Budget 2022-23, the total allocation for the textile sector was Rs. 12,382 crore. Moreover, Rs. 10,683 crore Production-linked Incentive scheme is expected to be a major boost for the textile manufacturers.

Indian government took certain measures to enhance the Indian textile industry:-

- The Indian government has allowed 100% Foreign Direct Investment (FDI) in the textile industry. Thus, it will be easier for small companies to grow and export their products to other countries.
- The Indian government is making huge investments under the Scheme for Integrated Textile Parks (SITP) and Technology Upgradation Fund Scheme to encourage more private equity in order to train the workforce.

The Indian Textile Industry is set for strong growth, buoyed by both strong domestic consumption as well as export demand. Urbanization is expected to support higher growth due to change in fashion & trends. Technological advancement along with favorable Government policies should act as a

Catalyst in Textile Sector Growth.

Threats:-

Uncertainties posed by the current business environment are likely to be crucial for the business operations. Liquidity management and financial soundness of business partners will be of high importance. A constant vigil and higher validations will need to be put in place for better risk management.

5. Outlook and Future Prospects:

India is working on major initiatives, to boost its textile industry. Owing to the pandemic, the demand for technical textiles in the form of PPE suits and equipment is on rise. Government is supporting the sector through funding and machinery sponsoring.

The slowdown in the Chinese economy has rendered the cost of textile production in China high. So, Chinese textiles manufacturers have lost competitive advantages of lower cost of production in the last few month and this will opportunity for Indian textiles sector to grab the market share of China in the developed world, especially the European Union and the United States, which cumulatively comprise around 60 per cent of the global export market.

The future for the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market. High economic growth has resulted in higher disposable income. This has led to rise in demand for products creating a huge domestic market.

Seeing the future potential, Indian textile companies have already lined up investments for future capacity expansion. These companies have announced significant investments in areas like home textiles, denim and garmenting.

The textile industry is expected to attract investment of about \$120 billion by 2024-25. Exports are also expected to rise from the current \$39 billion to \$300 billion by 2024-25. The action plan notes that attracting the required investment entails ready availability of developed land with adequate infrastructure, skilled manpower and easy connectivity to ports, along with creation of new mega textile parks, lowering the cost of production and logistics, and encouraging new entrants through start-ups as well as FDI.

Further, the animal feed is produced in more than 130 countries globally. Different species are reared across these countries for various purposes including milk, protein etc. Feed is considered to be a major component of the animal rearing as it adds significant cost to the production system. Type of

feed production varies across various regions and largely depends on the animal population and their economic importance in the region. Feed requirement of the animals also vary with the purpose of rearing it, including meat, egg and milk production. The industry makes a significant contribution to the economic and nutritional wellbeing of millions of people globally.

6. Risks & Concerns:

Uncertainties posed by the current business environment are likely to be crucial for the business operations. Liquidity management and financial soundness of business partners will be of high importance. A constant vigil and higher validations will need to be put in place for better risk management.

7. Subsidiaries/Joint Ventures:

The Company does not have subsidiaries, associates and joint venture companies.

Independent Auditors' Report

To
The Members of
Ambassador Intra Holdings Limited
Ahmedabad

Report on the Financial Statements

We have audited the accompanying IND AS Financial Statements of **Ambassador Intra Holdings Limited** (“the Company”), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), and the Statement of Changes in Equity and statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (“Ind AS”) prescribed under Section 133 of the act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis Report, Board’s Report including Annexures to Board’s Report, and Shareholder’s Information, but does not include the financial statements and our auditor’s report thereon. The above mentioned reports are expected to be made available to us after the date of this auditor’s report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the above mentioned reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions as per the applicable laws and regulations.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“**the Act**”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other Comprehensive Income, cash flows and Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor’s Report) Order, 2016 (“**the Order**”) issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the “Annexure A”, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - B to the Independent Auditors' Report

Referred to in paragraph 2(F) under the heading "Report on Other Legal And Regulatory Requirements" of Our Independent Audit Report of even date on the Financial Statements of Ambassador Intra Holdings Limited for the year ended 31st March, 2022.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Ambassador Intra Holdings Limited** ("the Company") as of 31 March, 2022 in conjunction with our audit of the Ind As financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2021

COMPANY INFORMATION / OVERVIEW

Ambassador Intra Holdings Limited (the “Company”) is a public limited company domiciled in India. The Company was incorporated under the provisions of the Company’s Act, 1956. The Company’s registered office is at 1093/1, 305, Sur Mount Complex, Behind Iscon Mandir, S. G. Highway Road, Satellite, Jodhpur, Ahmedabad – 380059. The shares of the company are listed on BSE Limited (BSE). The Company is engaged in the business of various trading sector like textiles, animal feed supplement, etc.

“1” SIGNIFICANT ACCOUNTING POLICES:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 (“the Act”) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard require a change in accounting policy hitherto in use.

These Financial Statements are presented in Indian Rupees (₹), which is also the Company’s functional currency and all values are rounded to the nearest rupees, except when otherwise indicated.

The Company follows the mercantile system of accounting and recognizes incomes and expenditures on accrual basis. The accounts are prepared on historical cost basis, as a going concern, and are consistent with accounting principles generally accepted in India.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of the products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities

CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of sale/lease
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of sale/lease
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.”

USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

KEY ASSUMPTIONS

(a) Property, Plant and Equipment

Freehold land, if any is carried at historical cost. All other items of Property, plant and equipment are shown at cost less accumulated depreciation and impairment, if any. The cost of an item of property, plant and equipment comprises its cost of acquisition inclusive of inward freight, duties and other non refundable taxes or levies and any cost directly attributable to the acquisition of those items.

Depreciation on Property, Plant & Equipment is charged on Straight Line Method. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use.

(b) Employee benefits:

Provident Fund:-

The management is of the opinion that Provident Fund is not applicable to the Company as number of employees is less than that as required by law.

Gratuity:-

The provision of gratuity is not made by the Company. However, if payment on account of gratuity arises due to happening of any incidents as provided under the applicable provisions of law, the same will be accounted for on cash basis.

Pension:-

The management is also of the opinion that the payment under Pension Act is not applicable to the Company.

(c) Impairment of assets and investments:

Significant judgments is involved in determining the estimated future cash flows from the investment, property plant and equipment to determine its value in use to assess whether there is any impairment in its carrying amount as reflected in the financials.

FOREIGN CURRENCY TRANSACTIONS

Initial Recognition:

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Subsequent Recognition:

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are reinstated at the end of accounting period. Exchange differences on reinstatement of all monetary items are recognised in the Statement of Profit and Loss.

REVENUE RECOGNITION

Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The Company is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. However, Goods and Services tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Sale of Goods:

Revenue from sales is recognised when the substantial risks and rewards of ownership of goods are transferred to the buyer and the collection of the resulting receivables is reasonably expected. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Sale of Services:

The Company recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured.

Other income:

Interest

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

TAXATION

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the relevant prevailing tax laws.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Company re-assesses unrecognized deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

PROPERTY, PLANT & EQUIPMENT

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Property, plant and equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each reporting date is classified as Capital advances under Other Non –Current Assets and assets which are not ready for intended use as on the date of Balance sheet are disclosed as “Capital Work in Progress.”

Depreciation on Property, Plant & Equipment is charged on Straight Line Method. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use.

BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (assets which require substantial period of time to get ready for its intended use) are capitalized as part of the cost of that asset. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

IMPAIRMENT OF ASSETS

Property, Plant & Equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less cost of disposal and value in use.

INVENTORIES

Inventories are valued at lower of cost and net realizable value. Cost of inventories comprises of purchase cost and other costs incurred in bringing the inventory to present location and condition which includes

appropriate share of overheads. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks (other than deposits pledged with government authorities and margin money deposits) with an original maturity of three months or less.

CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions: Provisions are recognised when there is a present obligation as result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent Liabilities : Contingent liabilities are not provided for in the books but are disclosed by way of notes in the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets: Contingent Assets are neither recognized nor disclosed in the financial statements.

EARNINGS PER SHARE (EPS)

The earnings considered in ascertaining the Company's earnings per share comprise the net profit after tax (and include post tax effect of any extraordinary items.) The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average shares considered for deriving basic earning per share, and also the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

RELATED PARTY TRANSACTIONS

Related party transactions are transfer of resources or obligations between related parties, regardless of whether a price is charged. Parties are considered to be related, if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making

financial or operating decisions. Parties are considered to be related if they are subject to common control or common significant influence.

FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

FINANCIAL ASSETS

Initial recognition and measurement

All financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

❖ Classification

For the purpose of subsequent measurement, the Company classifies financial assets in following categories:

- **Financial assets at amortised cost**
Financial assets at amortized cost are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses, if any. Interest income and impairment are recognized in the Statement of Profit and Loss.
- **Financial assets at fair value through other comprehensive income (FVTOCI)**
These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognized in OCI and on derecognition, cumulative gain or loss previously recognized in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognized in the Statement of Profit and Loss.
- **Financial assets at fair value through profit or loss (FVTPL)**
These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognized in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing for financial assets.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivable, trade receivable other contractual rights to receive cash or other financial assets. For trade receivable, the Company measures the loss allowance at an amount equal to life time expected credit losses. Further, for the measuring life time expected credit losses allowance for trade receivable the Company has used a practical expedient as permitted under Indian AS 109. This expected credit loss allowance is computed based on provisions, matrix which takes into account historical credit loss experience and adjusted for forward looking information.

FINANCIAL LIABILITIES

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables they are initially recognize at fair value and subsequently, these liabilities are held at amortized cost, using the Effective interest method.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortised cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on subsequently different terms, or the terms of an existing liability are subsequently modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of the new liability. The difference in the respective carrying amount is recognize in the Statement of Profit & Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided by Chief Financial Officer and Director of the Company jointly and responsible for allocating resources, assess the financial performance of the Company and make strategic decisions.

The Company has identified one reportable segment “trading activities” based on information reviewed by them.

STANDARDS ISSUED BUT NOT EFFECTIVE

As at the date of issue of financial statements, there are no new standards or amendments which have been notified by the MCA but not yet adopted by the Company. Hence, the disclosure is not applicable.

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, and other current

financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- i) Long-term fixed-rate receivables/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.
- ii) Fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at March 31, 2022 was assessed to be insignificant.
- iii) The fair values of the unquoted equity shares, if any have been estimated using a discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments.

"25" Financial Risk Management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations. The Company's activities expose it to a variety of financial risks: credit risk and liquidity risk and interest rate risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company is not dealing in foreign currency transaction and therefore Company is not exposed to foreign exchange risk.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counter parties, taking into account their financial position, past experience and other factors.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to Bad debt is not significant. Also the Company does not enter into sales transaction with customers having credit loss history. There are no significant Credit risk with related parties of the Company. The Company's is exposed to Credit risk in the event of non payment of customers. Credit risk concentration with respect to Trade Receivables is mitigated by the Company's large customer base. Adequate expected credit losses are recognised as per the assessment.

The history of Trade receivables shows an allowance for bad and doubtful debts of Rs Nil (Nil as at March 31,2021). The Company has made allowance of Rs Nil (Nil as at March 31,2021) against Total Trade receivable of Rs. 47.67 lacs (Rs. 110.19Lacs as at March 31,2021). However, during the year under audit, the Company had written off balance of Rs 11.18 lacs from Trade Receivable in Profit and Loss Account

Bank Deposits

The company maintains its cash and cash equivalents and bank deposits with reputed and highly rated bank. Hence, there is no significant credit risk on such deposits.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk through credit limits with borrowings.

The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

"26" Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The capital structure is as follows :

Particulars	March 31, 2022	March 31, 2021
Total equity attributable to the equity share holders of the company	31,688,793	31,433,582
